MUNICIPALITY OF NORTH CYPRESS - LANGFORD

Consolidated Financial Statements
For the Year Ended December 31, 2021

STATEMENT OF RESPONSIBILITY

The accompanying Consolidated Financial Statements are the responsibility of the management of the *Municipality of North Cypress-Langford* and have been prepared in compliance with legislation, and in accordance with generally accepted accounting principles established by the Public Sector Accounting Board of The Chartered Professional Accountants Canada.

In carrying out its responsibilities, management maintains appropriate systems of internal and administrative controls designed to provide reasonable assurance that transactions are executed in accordance with proper authorization, that assets are properly accounted for and safeguarded, and that financial information produced is relevant and reliable.

The Council is composed of individuals who are neither management nor employees of the Municipality. Council is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the consolidated financial information prepared by management and discussing relevant matters with management and external auditors. The Council is also responsible for recommending the appointment of the Municipality's external auditors.

MNP LLP, as the Municipality's appointed external auditors, have audited the Consolidated Financial Statements. The Auditor's Report is addressed to the Reeve and Members of Council and appears on the following page. Their opinion is based upon an examination conducted in accordance with Canadian generally accepted auditing standards, performing such tests and other procedures as they consider necessary to obtain reasonable assurance that the Consolidated Financial Statements are free of material misstatement and present fairly the financial position and results of the Municipality in accordance with Canadian Public Sector Accounting Standards.

Trish Fraser
Chief Administrative Officer

To the Reeve and Members of Council of the MUNICIPALITY OF NORTH CYPRESS - LANGFORD

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the consolidated financial statements of the Municipality of North Cypress-Langford which comprise the consolidated statement of financial position as at December 31, 2021, and the consolidated statements of operations, change in net financial assets, cash flows and supporting schedules for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Municipality of North Cypress-Langford as at December 31, 2021, and the results of its consolidated operations, change in net financial assets, cash flows and supporting schedules for the year then ended in accordance with Canadian Public Sector Accounting Standards.

Basis for Qualified Opinion

We were unable to satisfy ourselves concerning the opening or closing inventory quantity. Accordingly, we were unable to determine whether any adjustments might have been necessary in regard to inventories, expenses, accumulated surplus, changes in net financial assets, and cash flows.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Municipality of North Cypress-Langford in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian Public Sector Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Municipality of North Cypress-Langford's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Municipality of North Cypress-Langford to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Municipality of North Cypress-Langford's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements,
 whether due to fraud or error, design and perform audit procedures responsive to those risks, and
 obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of
 not detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of
 internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Municipality of North Cypress-Langford's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Municipality of North Cypress-Langford's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Municipality of North Cypress-Langford to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Municipality to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

1. Status of the Municipality of North Cypress-Langford

The incorporated Municipality of North Cypress-Langford is a municipality that was established as of January 1, 2015 pursuant to The Municipal Amalgamations Act. The "Municipality of North Cypress-Langford" reflects the amalgamation of the former "Rural Municipality of North-Cypress" and the "Rural Municipality of Langford". The Municipality provides or funds municipal services such as police, fire, public works, planning, parks and recreation, library and other general government operations. The Municipality also owns one utility, has several designated special purpose reserves and provides funding support for other financial entities involved in economic development, recreation and tourism.

2. Significant accounting policies

The consolidated financial statements have been prepared in accordance with public sector accounting standards as recommended by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants of Canada and reflect the following significant accounting policies:

a) Reporting entity

The consolidated financial statements include the assets, liabilities, revenue and expenses of the reporting entity. The reporting entity is comprised of all the funds, agencies, local boards, and committees of the Council which are controlled by the Municipality. Control is defined as the power to govern the financial and reporting policies of another organization with the expected benefits or risk of loss to the Municipality. The controlled organizations are consolidated after adjusting their accounting policies to a basis consistent with the accounting policies of the Municipality. Inter-fund and inter-company balances and transactions have been eliminated. There are no controlled organizations.

The Municipality has several partnership agreements in place, and as such, consistent with Canadian Public Sector Accounting Standards for government partnerships, the following local agencies, boards and commissions are accounted for on a proportionate consolidation basis whereby the Municipality's pro-rata share of each of the assets, liabilities, revenue and expenses are combined on a line by line basis in the consolidated financial statements. Inter-company balances and transactions have been eliminated. The government partnerships include:

Carberry Community Memorial Hall (50%) (2020 – 50%)
Carberry Plains Archives (50%) (2020 – 50%)
Carberry Plains Arts Council (50%) (2020 – 50%)
Carberry Plains Community Centre Operating Fund (50%) (2020 - 50%)
Carberry North Cypress-Langford Recreation (50%) (2020 - 50%)
Carberry Plains Cemetery Inc. (50%) (2020 - 50%)
Carberry Plains Cultural Centre - Museum (50%) (2020 - 50%)
Carberry Plains Service for Seniors (50%) (2020 - 50%)
Carberry Handi-Van Service (50%) (2020 - 50%)
The Cypress Planning District (41.46%) (2020 - 41.46%)
Evergreen Environmental Technologies Ltd. (21.25%) (2020 - 21.25%)
Western Manitoba Regional Library (3.75%) (2020 - 3.75%)

The taxation with respect to the operations of the school divisions are not reflected in the Municipal surplus of these consolidated financial statements.

Trust funds and their related operations administered by the Municipality are not consolidated in these consolidated financial statements.

b) Basis of accounting

The consolidated financial statements are prepared using the accrual basis of accounting. The accrual basis of accounting records revenue as it is earned and measurable. Expenses are recognized as they are incurred and measurable based upon the receipt of goods and services or the creation of an obligation to pay.

c) Cash and temporary investments

Cash and temporary investments include cash and short-term investments with maturities of three months or less from the date of acquisition.

2. Significant accounting policies (continued)

d) Investments

Temporary investments are accounted for at the lower of cost and market.

Portfolio investments are accounted for at cost.

e) Real estate properties held for sale

Real estate properties held for sale are recorded at the lower of cost and net realizable value. Cost includes the amount of acquisition, legal fees, and improvements to prepare the properties for sale or servicing.

It is reasonably anticipated that real estate properties held for resale will be sold outside the reporting entity within one year of the statement of financial position date.

f) Landfill closure and post closure liabilities

The estimated costs to close and maintain solid waste landfill sites are based on estimated future expenses, in current dollars, adjusted for estimated inflation, and are charged to expenses as the landfill capacity is used.

g) Non-financial assets

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations. The change in non-financial assets during the year, together with the excess of revenue over expenses, provides the change in net financial assets for the year.

Real estate properties and inventories held for sale are classified as non-financial assets if it is anticipated that the sale will not be completed within one year of the reporting date.

h) Tangible capital assets

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to the acquisition, construction, development or betterment of the asset. Donated assets are recorded at their estimated fair value upon acquisition. Certain tangible capital assets for which historical cost information is not available have been recorded at current fair market values discounted by a relevant inflation factor. Certain assets are disclosed at a nominal value as the determination of current fair market value was not available. The Municipality does not capitalize internal finance charges as part of the cost of its tangible capital assets.

General Tangible Capital Assets

| Land | Indefinite |
|---|----------------|
| Land improvements | 10 to 30 years |
| Buildings and leasehold improvements | • |
| Buildings | 25 to 40 years |
| Leasehold improvements | Life of lease |
| Vehicles and equipment | |
| Vehicles | 5 years |
| Machinery, equipment and furniture | 10 years |
| Maintenance and road construction equipment | 15 years |
| Computer hardware and software | 4 years |

2. Significant accounting policies (continued)

General Tangible Capital Assets (continued)

Infrastructure Assets

| Transportation | |
|---|----------------|
| Land | Indefinite |
| Road surface | 20 to 30 years |
| Road grade | 40 years |
| Bridges | 25 to 50 years |
| Traffic lights and equipment | 10 years |
| Water and Sewer | |
| Land | Indefinite |
| Land improvements | 30 to 50 years |
| Buildings | 25 to 40 years |
| Underground networks | 40 to 60 years |
| Machinery and equipment | 10 to 20 years |
| Dams and other surface water structures | 40 to 60 years |

Certain assets which have historical or cultural value including works of art, historical documents as well as historical and cultural artifacts are not recognized as tangible capital assets because a reasonable estimate of the future benefits associated with such property cannot be made. Intangibles, Crown lands that have not been purchased by the Municipality, forests, water, and other natural resources are not recognized as tangible capital assets.

i) Leases

Leases are classified as capital or operating leases. Leases which transfer substantially all of the benefits and risks incidental to the ownership of property are accounted for as capital leases. All other leases are accounted for as operating leases and the related lease payments are charged to expenses as incurred.

j) Inventories

Inventories held for sale are recorded at the lower of cost and net realizable value.

Inventories held for consumption are recorded at the lower of cost and replacement value.

k) Revenue recognition

Revenues are recognized as they are earned and measurable.

Government transfers are recognized in the financial statements when the transfer is authorized and eligibility criteria are met except, when and to the extent, stipulations by the transferor gives rise to an obligation that meets the definition of a liability. Stipulations by the transferor may require that the funds only be used for providing specific services or the acquisition of tangible capital assets. For transfers with stipulations an equivalent amount of revenue is recognized as the liability is settled.

Unearned revenue represents user charges and other fees which have been collected, for which the related services have yet to be provided. These amounts will be recognized as revenue in the fiscal year the services are provided.

I) Measurement uncertainty

Estimates are used to accrue revenue and expenses in circumstances where the actual accrued amounts are unknown at the time the consolidated financial statements are prepared. Uncertainty in the determination of the amount at which an item is recognized in the consolidated financial statements is known as measurement uncertainty. Such uncertainty exists when there is a variance between the recognized amount and another reasonable possible amount, as there is whenever estimates are used.

Measurement uncertainty in these consolidated financial statements exists in the accrual of the landfill closure and post closure liabilities. The accrual of the landfill liabilities is based on estimated future cash flows discounted to the consolidated financial statement date. The estimate of the future cash flows and the closure date of the landfill are based upon the best estimates by management. The actual future cash flows and closure date may differ significantly.

2. Significant accounting policies (continued)

m) Recent accounting pronouncements

Portfolio Investments (PS 3041)

In March 2012, as a result of the issuance of PS 3450 Financial Instruments, the Public Sector Accounting Board (PSAB) issued new PS 3041 Portfolio Investments, which revises and replaces PS 3030 Temporary Investments and PS 3040 Portfolio Investments. The main features of the new standard are:

- PS 3041 does not make a distinction between temporary and portfolio investments, and is cross referenced and conformed to the requirements of PS 3450.
- Investments previously within the scope of PS 3030, which are not cash equivalents, are now accounted for within the scope of PS 3041.

This Section is effective in the same period PS 1201 Financial Statement Presentation, PS 2601 Foreign Currency Translation and PS 3450 are adopted. PS 1201, PS 2601 and PS 3450 are to be adopted together and were to be effective for fiscal years beginning on or after April 1, 2019. In March 2018, the Public Sector Accounting Board (PSAB) approved an extension of the effective date to fiscal years beginning on or after April 1, 2021. On June 25, 2020, the PSAB made the decision to defer the effective date by one year due to the impact of the COVID-19 pandemic. The new Section is now effective for annual financial statements relating to fiscal years beginning on or after April 1, 2022. Early application continues to be permitted.

Financial Instruments (PS 3450)

In June 2011, the Public Sector Accounting Board (PSAB) issued new PS 3450 Financial Instruments. The new standard establishes requirements for recognition, measurement, derecognition, presentation and disclosure of financial assets and financial liabilities, including derivatives. The main features of the new standard are:

- Financial instruments are classified into two measurement categories: fair value, or cost or amortized cost.
 - Almost all derivatives, including embedded derivatives not closely related to the host contract, are measured at fair value.
 - Portfolio investments in equity instruments quoted in an active market are measured at fair value
 - Other financial assets and financial liabilities are generally measured at cost or amortized cost.
 - An entity may elect to measure any group of financial assets or financial liabilities (or both) at fair value when the entity has a risk management or investment strategy to manage those items on a fair value basis.
- Remeasurement gains and losses on financial instruments measured at fair value are reported in the statement of remeasurement gains and losses until the financial instrument is derecognized.
- Budget to actual comparisons are not required within the statement of remeasurement gains and losses:
- Financial liabilities are derecognized when, and only when, they are extinguished.
- Financial assets and financial liabilities are only offset and reported on a net basis if a legally enforceable right to set off the recognized amounts exist, and the entity intends to settle on a net basis or realize/settle the amounts simultaneously.

In May 2012, the transitional provisions for this Section were amended, effective at the time the standard is initially applied, to clarify that the measurement provisions are applied prospectively. Adjustments to previous carrying amounts are recognized in opening accumulated remeasurement gains or losses. Additionally, a new transitional provision has been added that applies to government organizations transitioning from the standards in Part V of the CPA Canada Handbook – Accounting with items classified as available for sale. Accumulated other comprehensive income (OCI) from items classified as available for sale is recognized in accumulated remeasurement gains or losses on transition.

PS 3450 was to be effective for fiscal years beginning on or after April 1, 2019. In March 2018, the Public Sector Accounting Board (PSAB) approved an extension of the effective date to fiscal years beginning on or after April 1, 2021. On June 25, 2020, the PSAB made the decision to defer the effective date by one year due to the impact of the COVID-19 pandemic. The new Section and amendments are now effective for annual financial statements relating to fiscal years beginning on or after April 1, 2022. Early application continues to be permitted. In the period that a public sector entity applies PS 3450, it also applies PS 1201 and PS 2601.

2. Significant accounting policies (continued)

m) Recent accounting pronouncements (continued)

Asset Retirement Obligations (PS 3280)

In August 2018, new PS 3280 Asset Retirement Obligations was included in the CPA Canada Public Sector Accounting Handbook (PSA HB). The new PS 3280 establishes standards on how to account for and report a liability for asset retirement obligations (ARO). As asset retirement obligations associated with landfills are included in the scope of new PS 3280, PS 3270 Solid Waste Landfill Closure and Post-Closure Liability will be withdrawn.

The main features of this standard are as follows:

- An ARO represents a legal obligation associated with the retirement of a tangible capital asset
- Asset retirement costs increase the carrying amount of the related tangible capital asset and are expensed in a rational and systematic manner.
- When an asset is no longer in productive use, the associated asset retirement costs are expensed.
- Measurement of the ARO liability should result in the best estimate of the amount required to retire a tangible capital asset at the financial statement date.
- Subsequent measurement of the ARO liability results in either a change in the carrying amount of the related tangible capital asset or an expense. The accounting treatment depends on the nature of the remeasurement and whether the asset remains in productive use.
- The best method to estimate the liability is often a present value technique.

This standard was to be effective for fiscal years beginning on or after April 1, 2021. On June 25, 2020, the PSAB made the decision to defer the effective date by one year due to the impact of the COVID-19 pandemic. The new Section is now effective for annual financial statements relating to fiscal years beginning on or after April 1, 2022. Early application continues to be permitted.

3. Cash and temporary investments

Cash and temporary investments are comprised of the following:

| | 2021 | 2020 |
|-------------------------------|-------------------------|---------------------------|
| Cash Temporary investments | \$ 4,517,654 152,296 | \$ 4,023,472 2,096,870 |
| | \$ 4,669,950 | \$ 6,120,342 |

Temporary investments are comprised mainly of guaranteed investment certificates and term deposits and have a market value approximating cost. The Municipality has designated \$3,537,439 (2020 - \$3,073,799) to reserves for debt principal repayments and tangible capital asset acquisitions. See Schedule 6 – Schedule of Change in Reserve Fund Balances. Included in the reserve is cash of \$2,968,349 (2020 - \$3,113,713).

4. Amounts receivable

Amounts receivable are valued at their net realizable value.

7. Landfill closure and post closure liabilities

a) Operating landfill site

Evergreen Environmental Technologies Ltd. is currently operating a Class 1 landfill site in the Rural Municipality of Minto-Odanah. Legislation requires closure and post-closure care of solid waste landfill sites. Closure costs include final covering and landscaping of the landfill and implementation of drainage and gas management plans. Post closure care requirements include cap maintenance, groundwater monitoring, gas management system operations, inspections and annual reports.

9. Commitments

December 2021.

Evergreen Environmental Technologies Corporation entered into a five year lease agreement beginning January 1, 2017 where 195 acres of land is leased at \$18/acre equal to \$3,161 per year. The lease agreement expires January 1, 2022.

29,137

\$ - \$

The Municipality is committed to purchase gravel under a purchase contract for a total of 80,000 yards of gravel for a four year term, ending in 2023. The commitment for 2021 is \$20,000.

The Municipality is committed to support the fundraising efforts of the Neepawa and District Medical Committee in their application to conduct a Fund Raising Lottery and agreed to fund any shortcomings in the line of credit as per contribution agreement.

The Municipality has committed to an annual contribution of \$60,000 to the North Cypress/ Carberry Recreation Reserve Fund held with the Carberry and Area Community Foundation. Encroachment of capital is permitted upon receipt of a letter of resolution signed by both Reeve and Mayor on behalf of joint Councils. The balance in this fund is \$1,231,135 as per the 2020 Financial Statements of the Carberry and Area Community Foundation.

10. Retirement benefits

The majority of the employees of the Municipality are members of the Municipal Employees' Pension Plan (MEPP), which is a multi-employer defined benefit pension plan. MEPP members will receive benefits based on 1.5% of their final average yearly Canada Pension Plan (CPP) earnings times years of service, plus 2% of their final average yearly non-CPP earnings times years of service. The costs of the retirement plan are not allocated to the individual entities within the related group. As a result, individual entities within the related group are not able to identify their share of the underlying assets and liabilities. Therefore, the plan is accounted for as a defined contribution plan in accordance with the requirements of the Chartered Professional Accountants of Canada Handbook section PS3250.

Pension assets consist of investment grade securities. Market and credit risk on these securities are managed by MEPP by placing plan assets in trust and through MEPP investment policy. The pension expense is based on the contribution rate. The MEPP required that employees contribute 8.3% of basic annual earnings up to the CPP ceiling plus 9.5% of basic annual earnings in excess of the CPP ceiling, plus an additional 0.1% of earnings below and in excess of the CPP ceiling from employees that are not members of the Municipal Disability Income Plan. The employers are required to match the employee contributions to the MEPP. Actual contributions to MEPP made during 2021 by the Municipality on behalf of its employees are expected to be \$168,435 (2020 - \$146,500) and are included in the statement of operations.

10. Retirement benefits (continued)

Subject to the following paragraph, any unfunded liabilities are to be funded by the participating employers. The most recent actuarial valuation as of December 31, 2019 indicated the plan was 99.7% funded on a going concern basis and had an unfunded solvency liability of \$288.8 million. The solvency position of the plan is determined by comparing the plan assets to the actuarial present value of the benefits accrued in respect of credited service up to the valuation date, calculated as if the plan were wound up on December 31, 2019.

In 2010, the Government of Manitoba enacted a regulation which permits sponsors of public sector pension plans, including MEPP, to elect permanent exemption from solvency funding requirements subject to certain conditions stated in the regulation. MEPP has elected permanent exemption from solvency funding requirements. As a result, solvency funding is no longer required by MEPP.

11. Financial instruments

The Municipality, as part of its operations, carries a number of financial instruments. It is management's opinion that the Municipality is not exposed to significant interest, currency or credit risk arising from these financial instruments, except as otherwise disclosed. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values.

12. Contingencies

Various claims have been made against the Municipality as at December 31, 2020. If proven, it is possible that these claims may have a material adverse effect on the financial position of the Municipality. The Municipality is disputing the claims and as the outcome is not determinable at this time, no amount has been accrued in the financial statements.

13. Budget

The financial plan is prepared on a revenue and expenditure basis. For comparative purposes, the Municipality has modified its financial plan to prepare a budget that is consistent with the scope and accounting principles used to report the actual results. The budget figures used in these consolidated financial statements have been approved by council.

The reconciliation between the financial plan and the budget figures used in these statements is disclosed in Schedule 10 - Reconciliation of the Financial Plan to the Budget.

14. Accumulated surplus

| Accumulated surplus consists of the following: | 2021 | 2020 |
|---|--|---|
| General operating fund - Nominal surplus Utility operating fund - Nominal surplus (deficit) TCA net of related borrowings Reserve funds | \$ 1,935,040 6,185 11,645,977 3,537,439 | \$ 1,806,247 (51,066) 11,586,540 3,073,799 |
| Accumulated surplus of Municipality unconsolidated | 17,124,641 | 16,415,520 |
| Accumulated surpluses of consolidated entities Accumulated surplus per Consolidated Statement of Financial | 1,457,664 | 1,404,703 |
| Position | <u>\$ 18,582,305</u> | \$ 17,820,223 |

15. Public Sector Compensation Disclosure

It is a requirement of The Public Sector Compensation Disclosure Act that annual public disclosure be made of aggregate compensation paid to members of Council, and of individual compensation in an amount exceeding \$75,000 annually to any member of Council, officer or employee of the Municipality. For the year ended December 31, 2021:

- a) There were no members of Council receiving compensation in excess of \$75,000 individually.
- b) There were no officers and employees receiving compensation in excess of \$75,000.

It is a requirement of The Municipal Act that the annual consolidated financial statement disclose the amount of compensation, expenses and any other payment made to council or committee members by the type of each payment and the total amount of payment to each member of Council of the Municipality. For the year ended December 31, 2021:

c) Compensation paid to members of Council amounted to \$87,616 in aggregate.

Council Members:

| | Com | npensation | E | rpenses | Total |
|------------------------------|-----|------------|----|---------|--------------|
| Reeve - Bob Adriaansen | \$ | 14,372 | \$ | 1,781 | \$ 16,153 |

| | \$ | 87,616 | \$ | 11,177 | \$ 98,793 |

16. Trust funds

The Municipality of North Cypress-Langford administers the following trust:

| | nce, beg. the year | Recei | pts over sements | ance, end the year |
|-----------------------|-----------------------|-------|---------------------|---------------------------|
| Search & Rescue Trust | \$ 20,333 | \$ | 92 | \$ 20,425 |

17. Segmented information

The Municipality of North Cypress-Langford provides a wide ranges of services to its residents.

Segment information has been provided in Schedule 4 for the following services:

- General Government
- Protective Services
- Transportation Services
- Environmental Health
- Public Health and Welfare Services
- Regional Planning and Development
- Resource Conservation and Industrial Development
- Recreation and Cultural Services
- Water and Sewer Services

Revenue and expenses represent amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies of the segments are consistent with those followed in the preparation of the consolidated financial statements as described in the summary of significant accounting policies.

18. Government partnerships

The Municipality has several partnership agreements for municipal services. The consolidated financial statements include the Municipality's proportionate interest, as disclosed in note 2(a). The aggregate financial statements of the government partnerships, in condensed summary, are as follows:

| | | 2021 | | 2020 |
|--------------------------|----|-----------|-----|-----------|
| Financial Position | , | | - | |
| Financial assets | \$ | 909,244 | \$ | 885,091 |
| Financial liabilities | | 117,658 | | 24,464 |
| Net financial assets | \$ | 791,586 | \$ | 860,627 |
| Non-financial assets | | 666,078 | | 544,076 |
| | | | | |
| Accumulated surplus | \$ | 1,457,664 | _\$ | 1,404,703 |
| | | | | |
| Result of Operations | | | | |
| Revenue | \$ | 693,621 | \$ | 443,304 |
| Expenses | | 640,660 | | 544,562 |
| ' | | | | |
| Annual surplus (deficit) | \$ | 52,961 | \$ | (101,258) |
| (, | | | | |

19. Public Utilities Board

The Public Utilities Board (PUB) regulates the rates charged by all water and wastewater utilities, except the City of Winnipeg Utility and wholesale water rates set by the Manitoba Water Services Board. The PUB has the authority to order any owner of a utility to adopt uniform and prescribed accounting policies. The PUB's prescribed accounting policies on tangible or contributed capital assets and government transfers allow for adjustments to be made, for rate setting purposes, which do not meet PSAB standards.

For information purposes, the Municipality has deferred the capital grants and/or contributed assets it has received in the past for its utilities and amortized them over the useful life of the related tangible or contributed capital asset.

No capital grants have been deferred and amortized in these financial statements.

The following table provides historical information on capital grants for tangible or contributed capital assets with a remaining net book value.

Water services:

| | Un | amortized | | | | | Un | amortized |
|------------------------|----|-----------|--------|-------|----|------------|----|-----------|
| | (| Opening | Addi | tions | Am | ortization | 1 | Balance |
| Description of Utility | E | Balance | During | Year | Du | ring Year | | Ending |
| Water Supply Pipeline | \$ | 447,253 | \$ | _ | \$ | 15,247 | \$ | 432,006 |

20. COVID-19 impact on operations

During the year, there was a global outbreak of COVID-19 (coronavirus), which has had a significant impact on businesses through the restrictions put in place by the federal, provincial and municipal governments regarding travel, business operations and isolation/quarantine orders. The Municipality's operations were impacted by COVID-19 due to closure of facilities to the public for normal operations. At this time, it is unknown the extent of the impact the COVID-19 outbreak may have on the Municipality as this will depend on future developments that are highly uncertain and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, and the duration of the outbreak, including the duration of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are currently, or may be put, in place by Canada and other countries to fight the virus.

21. Comparative figures

Certain comparative figures have been reclassified to conform with the current year presentation.

MUNICIPALITY OF NORTH CYPRESS - LANGFORD CONSOLIDATED SCHEDULE OF TANGIBLE CAPITAL ASSETS Year Ended December 31, 2021
